Поз	Наименование детали		
1	top cover	37	lower retaining ring of bridge axis
2	frame	38	vice motor pulley
3	back cover	39	vice motor
4	main motor pulley	40	vice motor block
5	main motor	41	circlip for shaft
6	top bearing block	42	circlip for shaft
7	bearing	43	motor block pin
8	lower shaft wheel	44	adjust rod of motor block
9	round nut	45	no keyway pin
10	lock washer	46	travel switch pressure wheel
11	bearing	47	Movable cover limit block
12	spiral shaft	48	keyway pin
13	lower bearing block	49	travel switch pressure wheel
14	dust ring	50	control load switch
15	spiral	51	electrical plate
16	fix rod	52	leakage switch
17	protective cover	53	transformer
18	fixed hood	54	overload protector
19	bowl	55	overload protector
20	a.c contactor	56	overload protector
21	a.c contactor	57	auxiliary contact
22	lower shaft welding parts	58	a.c contactor
23	oil seal	59	time limit relay
24	bearing	60	red light
25	lower bearing block	61	start button
26	bearing	62	transfer switch (second speed)
27	circlip for hole	63	sticker
28	circlip for shaft	64	stop button
29	lower shaft sprocket		
30	retaining ring for lower shaft		
31	retaining ring for bridge axis		
32	bearing		
33	lower bridge axis		
34	bearing		
35	bridge bearing shock		
36	bridge axis pulley
